

# Avery Woodlief

Houston, TX  
(979) 344-9315 | averywoodlief@gmail.com

## Objective

---

Highly analytical Mathematics student at Texas A&M University with concentrated study in algebra and cryptography, complemented by strong programming experience in Python, C++, and computational modeling. Interested in applying mathematical problem-solving and software development skills to research, simulation, and graphics-focused projects.

## Education

---

**Texas A&M University**  
Bachelor of Science in Mathematics  
GPA: 3.59/4.0

College Station, TX  
Graduation: May 2026

## Honors & Achievements

---

- Eagle Scout, Boy Scouts of America
- Selected Participant, Mathematics Intensive Workshop, Louisiana State University (2-week program)
- Cum Laude, Texas A&M University
- Pi Mu Epsilon

## Experience

---

**PEG, Ltd. and the Alumni Attitude Study — Analyst** June 2018 – March 2019

- Assisted with data collection and analysis for alumni engagement research.

## Workshops

---

### **Mathematics Intensive Workshop, Louisiana State University**

Participated in a selective, two-week program focused on representation theory. Presented proofs and concepts to peers and faculty periodically.

## Skills

---

- Programming: Python, R, C++, C, Java, Bash
- Front end development
- Research & Academic Writing
- Team Collaboration
- Communication

## Leadership & Activities

---

- SPL, PL, Order of the Arrow in BSA
- community service
